

The Arts Based School

August 29, 2013

Dear Parents /Guardians:

Does your child want to make a difference in our community and the world? Your child is invited to join the *K-Kids* program at the Arts Based School. *K-Kids* is a service organization and a member of the Kiwanis Family, which sponsors our club. *K-Kids* provides the opportunity to develop self-esteem, leadership skills, morals and standards, and respect for others. This program involves 3rd – 7th grade students, their parents, teachers, and Kiwanians in community service projects that impact our school, our city, and our global community. With your permission, your child will be inducted to the *K-Kids* at ABS as well as K-Kids of Winston-Salem. **Meetings will take place on Friday mornings from 7:45 to 8:15 each week beginning September 13. Meetings will be held in the dance studio in the MLK building.**

The purpose of all meetings will be to organize projects both within the school and the community. *K-Kids* will be led by Kiwanian Robie Walls, with teachers Jan Adams, Peter Wilbur, Danielle Tarmey and Yvonne Leab. Dues for the year are \$2.00, and should be included in the registration below.

The K-Kids will sponsor a whole school Skating Party on Monday, September 23, from 6:00 – 8:00 p.m., to encourage participation in this great organization. We look forward to working with you to serve our world!

Sincerely,

Jan Adams Peter Wilbur Danielle Tarmey Yvonne Leab
