

Support The Arts Based School at **BOOKMARKS!**

FRIDAY, DECEMBER 1

FROM 10 A.M. – 9 P.M.

Bookmarks is a literary arts nonprofit organization that fosters a love of reading and writing in the community through programming that connects readers with authors and books including: an annual Festival of Books, an Authors in Schools program, and year-round events in our community gathering space and nonprofit independent bookstore. All sales proceeds at our nonprofit independent bookstore support our mission.

We are excited to offer the opportunity to support The Arts Based School, Bookmarks, and the literary arts in the Triad—all at the same time! On Friday, December 1, 10% of all sales at Bookmarks will go back to your school for books in your media center.

We hope you will come join us!
